

Daily Task: 28/10/2025 - 29/10/2025

Portfolio: <https://vamsikrishna33333.github.io/portfolio/>

Github: <https://github.com/Vamsikrishna33333/portfolio>

Output:

The screenshot shows the homepage of a portfolio website. At the top, there is a navigation bar with links for About, Skills, Projects, Education, Certifications, and Contact. On the far right of the navigation bar are icons for a sun and a menu. Below the navigation bar, the main content area has a blurred background image of a person in an office setting. In the center, there is a large header with the name "Sariputi Vamsikrishna" in bold black font. Below the name is a subtitle "Where Machine Intelligence meets Product Thinking". Underneath the subtitle, there is a section titled "I work in" followed by a brief description of the user's role as a final-year Computer Science student at VIT Vellore. There are two buttons: "See Projects" and "Quick Intro". Below these buttons, there is a section for "Open to: AI, ML, DS, Project Manager, Product Management" and "Top skills: Java · Python · SQL · AWS". A contact email "Contact: vk5803997@gmail.com" is also provided. To the right of the main content area, there is a sidebar with a profile picture of the user, the name "Vamsi Krishna", and a degree "B.Tech (CSE) — VIT Vellore". Below this, there are links for "Resume", "GitHub", and "LinkedIn". At the bottom of the page, there is a footer with the copyright notice "© 2025 Sariputi Vamsikrishna" and links for "Projects" and "Contact".

The screenshot shows the "About Me" section of the portfolio website. At the top, there is a navigation bar with links for About, Skills, Projects, Education, Certifications, and Contact. On the far right of the navigation bar are icons for a sun and a menu. Below the navigation bar, there is a large image of the user. To the right of the image, there is a section titled "About Me" with a brief bio. The bio states that the user is a final-year Computer Science student at VIT Vellore with hands-on experience in software development, cloud technologies, and machine learning. It highlights their strong technical expertise, management and coordination skills, and involvement in IEEE MTTS. The bio ends with a statement about exploring versatile professional roles. Below the bio, there is a section titled "Highlights" with a bulleted list of achievements. The achievements include: "AWS Cloud Practitioner • Oracle Generative AI Certified", "Core member — IEEE MTTS (Event coordination & leadership)", and "Strong technical + management balance". At the bottom left, there is a sidebar with a bulleted list of personal details: "B.Tech CSE - VIT Vellore (2025)", "India", "Telugu, English, Hindi", and "AI, ML, Product".
